The undersigned, in consideration of the covenants, promises, and representations contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby enrolls in and adopts the Declaration of Trust (the "Declaration of Trust"), executed by The Center for Special Needs Trust Administration, Inc. (the "Trustee"), and dated the 9th day of November, 2006, establishing The Alzheimer's Pooled Trust (the "Trust"), which is attached hereto as Exhibit "A" and incorporated herein by reference. The effect of joining the Trust through this Pooled Trust Joinder Agreement (the "Agreement") shall be to establish a Trust sub-account for the following named Beneficiary: _____. This Agreement, and the Trust sub-account created hereunder, shall be irrevocable upon acceptance of the Agreement by the Trustee and shall be established with resources, including assets and/or income, belonging solely and exclusively to the Beneficiary and/or the Beneficiary's spouse.

Establishment of Trust

The Pooled Trust sub-account established through this Agreement, together with the Declaration of Trust attached hereto, is an OBRA 1993 Trust created pursuant to: 42 U.S.C. §1396p (d)(4)(C), amended August 10, 1993, by the Omnibus Budget Reconciliation Act of 1993 (OBRA 93); the Social Security Policy Operation Manual (POMS) SI 01120.203, *Exceptions to Counting Trusts Established on or after 1/1/00*; and all related State statutes, regulations, and/or rules.

Article I Definitions

1.01 The term, "Trustee," means The Center for Special Needs Trust Administration, Inc., or its successor or successors, and such term includes any Co-trustee that may be appointed by the Trustee to aid in the administration of the Trust.

1.02 The terms, "supplemental needs," "supplemental care," and "government assistance" all have the same meaning that is defined in Article II of the Declaration of Trust.

1.03 The term "state" shall include, but not be limited to, the individual State where the Beneficiary resides, together with any and all such agencies, departments, sub-agencies, and/or contractors responsible for administering government assistance programs in the State where the Beneficiary resides, as the context might require or change from time to time.

Article II

Distributions From Trust Sub-account During Life of Beneficiary

Distributions from the Beneficiary's Trust sub-account may be made during the life of the Beneficiary in accordance with the provisions below.

2.01 Individualized Care Plan. At the Trustee's discretion, an individualized care plan shall be prepared for the Beneficiary, which the Trustee may consider, in its sole and absolute discretion, when reviewing requests for any distribution from the Beneficiary's Trust sub-account.

2.02 Benefit Solely for Beneficiary. The Beneficiary's Trust sub-account is established and shall be administered solely for the benefit of the Beneficiary.

2.03 Beneficiary to Receive Fair Market Value. This Joinder Agreement has been specifically established to comply with Section 3259.7, subsection B.2, of the State Medicaid Manual, *Exceptions to Treatment of Trusts Under Trust Provisions* ("Transmittal 64"), which is promulgated by the Centers for Medicaid & Medicare Services (CMS). As such, the Trustee shall administer the Beneficiary's Pooled Trust sub-account so that all of the resources placed in the sub-account are used to benefit the individual Beneficiary, and the sub-account shall purchase items and services for the individual Beneficiary at fair market value.

2.04 Discretion of Trustee; Use of Assets; Desires for Use of Assets. The Grantor recognizes and acknowledges that all distributions are subject to the Trustee's sole and absolute discretion, that the Trustee shall only make distributions solely for the Beneficiary's supplemental needs and supplemental care, and that the Trustee shall possess and exercise the authority to allocate all distributions between principal and income as it determines in its sole and absolute discretion. With this recognition and acknowledgment in mind, the Grantor has expressed the Grantor's desires as to how assets in the Trust sub-account might be used on behalf of the Beneficiary during the Beneficiary's lifetime.

2.05 Notice of Application; Acceptance, Denial; Termination of Benefits. In order to enjoy the benefits of the Trust to the fullest extent possible, the Beneficiary, or the Beneficiary's legal representative, shall be required to notify the Trustee whenever the Beneficiary: a) applies for government assistance; b) has an application for government assistance approved; c) has an application for government assistance denied; and/or, d) has government assistance terminated. Notice shall be in writing, by certified mail, return receipt requested, in care of the Trustee, The Center for Special Needs Trust Administration, Inc., at the address set forth in the General Instructions hereto, and which is also set forth on the last page of this Agreement, or at such other address as the Trustee may designate from time to time. Such notice to the Trustee shall be made within 10 (ten) days of the event that triggers the Beneficiary's duty to give notice under this paragraph 2.05. In no event shall the Trustee be liable for making disbursements which result in a reduction of government assistance, a termination of government assistance, or ineligibility for government assistance when the Trustee did not have actual notice of such government assistance, or other circumstances giving rise to such termination, reduction, and/or ineligibility, at the time such disbursements may have been made or requested, or when the Beneficiary or the Beneficiary's representative waives such liability in a signed writing.

Article III
Distributions Upon the Beneficiary's Death

Any assets that remain in the Beneficiary's separate Trust sub-account at the Beneficiary's death shall be treated in accordance with the provisions below.

3.01 Assets in Trust. If any assets remain in the Beneficiary's separate Trust sub-account at the Beneficiary's death, such assets shall be deemed surplus Trust property and shall be retained by the Trust pursuant to all of the relevant and applicable provisions of 42 U.S.C. §1396p, including all related statutes, regulations, and/or rules.

3.02 Use of Retained Assets. In the Trustee's sole and absolute discretion, retained surplus Trust property shall be used:

- a) for the direct or indirect benefit of other Beneficiaries;
- b) to add disabled persons, as defined in 42 U.S.C. § 1382c(a)(3), who are indigent to the Trust as Beneficiaries; or,
- c) to provide disabled persons, as defined in 42 U.S.C. § 1382c(a)(3), with equipment, medication, or such other services deemed suitable for such persons by the Trustee.

Subject to all provisions herein, gifts or devises to the Trust shall be similarly treated unless a specific purpose is specified by the donor. To the extent that any surplus Trust property is not retained by the Trust pursuant to paragraph 3.01 above, such property shall be distributed to each State in which the Beneficiary received government assistance, based on each State's proportionate share of the total government assistance paid by all of the States on the Beneficiary's behalf. For all such purposes hereunder, the Trustee and all States where the Beneficiary received government assistance are clearly identifiable residual beneficiaries and have standing to challenge any attempt by the Beneficiary or any other party to revoke this irrevocable Agreement.

Article IV
Trustee Compensation

The Trustee shall be entitled to a fee as compensation for its services according to its regularly published fee schedule as that schedule may be amended from time to time.

Article V
Miscellaneous Provisions

5.01 Amendments. The provisions of this Joinder Agreement may be amended as the Grantor and the Trustee may jointly agree, provided any such amendment is consistent with the Declaration of

Trust and any then-applicable law. Additionally, the Trustee may also make any unilateral amendments as may be necessary to comply with any changes in the law and/or agency policy or for the proper and efficient administration of the Trust as determined in the Trustee's sole discretion without notice to the Beneficiary or the Beneficiary's representative. However, under no circumstance shall any amendment defeat the purpose and intent of this Agreement and/or the Trustee's affirmative duty to reimburse each state where the Beneficiary received government assistance when surplus trust property is not retained by the Trust, as that duty is set forth in paragraph 3.02 above.

5.02 Taxes. The Grantor acknowledges that: a) the Trustee has made no representations to the Grantor that contributions to the Trust are deductible as charitable gifts, or otherwise; b) Trust sub-account income, whether paid in cash or distributed in other property, may be taxable to the Beneficiary, subject to applicable exemptions and deductions; and, c) Trust sub-account income may be taxable to the Trust, and when this is the case, such taxes shall be payable directly from the Trust sub-account that requires such taxes to be paid. For the sole purpose of determining tax liability and having the Beneficiary's trust sub-account treated as a grantor trust, the Trustee may apply trust income to the payment of premiums on policies of insurance on the life of the Beneficiary without the approval or consent of any adverse party within the meaning of Section 672(a) of the Internal Revenue Code of 1986, as amended. For purposes of this paragraph 5.02, "trust corpus" shall have the same meaning as "trust sub-account" used elsewhere throughout this Joinder Agreement and the Declaration of Trust. Further, nothing in this paragraph 5.02 shall in any way affect or modify the intent and/or purpose of the Trust or any of the provisions found in this Joinder Agreement and/or the Declaration of Trust. The Trustee may make distributions directly to the taxing authority of any such amounts of income or principal of the Trust as may become necessary to satisfy the Beneficiary's tax obligations upon the Beneficiary making such request to the Trustee.

5.03 Testamentary Power of Appointment Over Residue. Subject to the provisions of Article III above, and all other relevant provisions, laws, and/or regulations requiring the Trustee to reimburse each state in which the Beneficiary received government assistance, the Beneficiary shall have the power, through his or her Last Will and Testament, and by making express reference to this power, to direct that part or all of the property remaining in the Trust may be delivered to such persons or their issue as the Beneficiary so directs. However, under no circumstances shall the Beneficiary have the power to direct that such property be delivered to: the Beneficiary; the Beneficiary's estate; the Beneficiary's creditors; or the creditors of the Beneficiary's estate. For purposes of this paragraph 5.03, the purpose of which is to prevent any gift tax liability, the term "property" refers to any such residual amounts as may remain after the Trustee follows the provisions set forth in Article III above.

5.04 Trustee's Duty Regarding Government Assistance Programs. In providing for the Beneficiary's special needs, and/or in making determinations regarding disbursements and/or distributions for the benefit of the Beneficiary's special needs, the Trustee shall always consider the government assistance for which the Beneficiary is currently eligible, or for which the Beneficiary may be attempting to become currently eligible, and the Trustee shall make no disbursements and/or distributions that would cause the Beneficiary to be or become ineligible for such government assistance. Distributions that the Trustee may or may not have made in the past because of less restrictive government assistance programs, more restrictive government assistance programs, or government assistance programs that the Beneficiary did not apply for, qualify for, and/or receive, shall not serve as
